Projects

Project Ascend: Credit for Gen Z (FinTech MVP) | *Product Strategy & Risk* CaseBlitz 2026 – Finalist

- Chose Hyderabad college students as the beachhead; designed a credit-building MVP where a refundable 5,000 deposit unlocks a partner-lender credit line, with repayments reported to credit bureaus
- Built two-factor underwriting (deposit for intent, consented bank-statement inflow for capability) and mapped second-order effects of the top 3 decisions with pullback thresholds
- Revenue model earns only on on-time repayment; North Star: users with 6 consecutive on-time repayments

Jar Engagement Strategy Case | *Product Strategy & Growth* CaseBlitz 2026 – Round 1

- Diagnosed why Jar's passive round-off saving gives users no reason to return; benchmarked Gullak, Paytm, and PhonePe
- Proposed a home-screen widget and Goal Progress Engine with a Meaningful Weekly Active Savers North Star, projecting 15.5% revenue uplift in 6 months (estimate)

DITTO Insurance Strategy Case | *Product Strategy & Market Research* CaseVerse 2.0

- Analyzed the insurance market and competitive landscape; co-developed a GTM, scaling, and partnership strategy for DITTO
